

IN THE HIGHER COURTS.

Native Criminal Cases—Various Matters on File.

The trial of Niau Mitchell for housebreaking was not concluded in the Circuit Court Wednesday. On the opening of the Court Thursday Mr. Carter entered a nolle prosequi, which was granted by Judge Magoon.

J. Brown was then put on trial by a native jury for assault with a dangerous weapon. Carter for prosecution; Kane for defendant.

The executors and trustees of the estate of John P. Parker petition, with the consent of secured creditors, to grant \$60 out of the estate for Annie T. K. Parker, a minor, she being owner of an undivided half of the premises covered by the trust deed.

It is stipulated by the attorneys that a special jury may be drawn from fourteen named business men on the regular panel, to try the case of A. M. Battie vs. J. F. Morgan.

Justice Frear is writer of an opinion of the Supreme Court, signed by Chief Justice Judd and himself, refusing to reopen the case of Elizabeth Moorhead vs. David Dayton, trustee, Daniel McCarrison and Hugh McCarrison. The plaintiff asked for leave to have the case reviewed on the ground of newly discovered evidence. Such leave will not, however, be granted where reasonable diligence might have discovered the evidence in time for an earlier stage, and especially where, as in this case, the new evidence is rather strengthening than otherwise to the decision that plaintiff would like to have reviewed. Hartwell for plaintiff; Kinney for defendant.

N. Peterson has rendered his third annual account as guardian of the property of Mary P. Anoo. He received \$62 in the year and paid out \$67, thus leaving a balance due himself of \$5.

Good Business.

J. T. Waterhouse reports business as being first class. The lines of goods handled by this popular merchant have all received large additions of late and big stocks of new merchandise, including a number of specialties, are expected by the next Australia and other vessels. Mr. Waterhouse has nearly tripled his grocery stock during the last few months, so that there is scarcely anything in that line that cannot be obtained there. The dry goods department, also, has been enlarged and restocked with fresh goods.

"Yes, sir, my father was a soldier, and many's the time he made the enemy run."

"Quite lucky."

"I don't understand."

"I say your father was quit lucky that the enemy didn't catch him."—New York Herald.

Bishop Gullem—"You mustn't grieve too much, my dear sister. Remember that, though your dear husband has left this mortal body, he is still with you."

"That isn't going to affect the insurance, is it?"—Life.

Bicyclers are likely to get cut, scraped, sprained, bruised, or some way hurt. No matter which, an application of Redding's Russia Salve will take away the smart and pain, and cure the trouble in a hurry. Thousands of wheelmen never go on the road without it. Why should you? 25 cents buys it of any druggist. Handy box for your pocket. Hollister Drug Co., Agts.

THE BEST TREATMENT FOR CHOLERA—When promptly and properly treated a recovery is almost certain. This was fully demonstrated during the prevalence of Cholera in New York in 1866. Go to bed as soon as the first symptoms appear, remain as quiet as possible, and take Chamberlain's Colic, Cholera and Diarrhoea Remedy in double doses until the pain ceases, and then after each operation of the bowels more than natural. Send for a physician, but take this remedy in this way until he arrives. The remedy should be kept at hand ready for instant use. It should be taken within five minutes after the first symptoms appear. Chamberlain's Colic, Cholera and Diarrhoea Remedy is the most successful medicine that has yet been produced, not only for the milder forms of bowel complaint, but for the most virulent forms of Asiatic Cholera.
